

## Board Nomination Page

Hello, My name is Pam Zarick. I am the current President of the Beacon Street COA. I would love to continue serving on the Board of Directors, along with my team.

I will continue working to keep Beacon Street Values high as well as ensuring all voices are heard.

The CC&R Violations are overwhelming to everyone and my Goal is to engage neighbors finding friendly behaviors through transparency in exactly what the board is doing.

I bring 3 years of experience, with a desire for community involvement including transparency in the board.

My plan is to scrutinize the outdated CC&R's while adhering to the Civil Codes. I wish to organize Committee's to examine Common Area concerns while ensuring legal restrictions remain. Thank you for your consideration.
